Pyramid Scheme

Rebel's Puzzles

Rebel's Puzzles is a social experiment being conducted by Rebel's Dad on the patrons of Growlerz Trivia Night. He thinks this will be a fun addition to Caryn's awesome trivia questions. Like Rebel, Rebel's Dad responds well to feedback. Train him well.

TONIGHT'S PUZZLE

Tonight's puzzle is called "Pyramid Scheme." Mexico and the shaded squares are already filled in. Using the **Answer Bank**, complete the rest of the pyramid: each line joins two places that share a border. Work your way down. 1 point per answer you place correctly (11 possible).

Like the puzzle? Buy Rebel a Pup Cup, or her dad a drink. Find a mistake? Rebel's Dad will buy you a drink (but Rebel would still prefer a Pup Cup).
